

# MEDICINE, MATERNITY CARE & REMOTE SITE HEALTH MANAGEMENT IN AFRICA

Genoa Underwriting Managers, Norton Rose Fulbright Inc. South Africa and SAMLA would like to invite you to attend a webinar hosted via the Zoom platform. One CEU/CPD point will be issued for your attendance.

## EVENT DETAILS

**Medicine, Maternity Care and Remote Site Health Management in Africa** (CEU/CPD Accredited) | 22 April 2021

1 CEU/CPD point (60 min)

Our guest speakers will be **Ms Diana Carson (Didi)**, Managing Director of Response Med Africa ([www.response-med.com](http://www.response-med.com)) and **medical specialist, Dr Bea Andersen-Schipper** ([www.mountelgontrust.com](http://www.mountelgontrust.com)), who will share a collection of their experiences of what it takes to make medical care accessible to those who are often the most vulnerable to poor health in our rural and remote communities.

Didi has been instrumental in the building, staffing and launching of a 37 bed in-patient facility in Eastern Somaliland and Bea has grown her initially farm based clinic to a full medical facility that fulfils a regional function in rural Kenya, accredited by the NHI Fund.
